Dear Mr. Markham,

Thank you for your letter of the 27 February signed by Mr. Noble. I am very sorry about the trouble which you have had on this application and I can but reiterate that I told the client to send a further cheque and also sent him a copy of your correspondence. I agree that if a clear cheque is not presented and cleared within 14 days from the 27 February the application should be considered as withdrawn.

Yours sincerely,

LA/GM
