(ENC Reasons and Notes)

REASONS FOR REFUSAL
OF APPLICATION: 4/0006/91

Date of Decision: 04.03.1991

The proposed wall and wrought iron gates due to height, design and materials would adversely affect the visual amenity of this part of Station Road, which is rural in appearance and would be detrimental to the Chilterns Area of Outstanding Natural Beauty, where particular regard should be given to design and external appearance of the development.
