Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:  
FAULKNERS, 49 HIGH STREET, KINGS LANGLEY, HERTS, WD4 9HU**

Thank you for your letter of 30 December 1999 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

. Although the two conifers are attractive trees, they are not particularly visible from public viewpoints and have limited amenity value in the wider landscape. The Rowan tree is in an advanced state of decline. Consequently, the removal of the trees would not cause harm to the character and appearance of this part of the Kings Langley Conservation Area.

This decision, which was made on 22 February 2000, allows you to progress these works.

Yours faithfully
