Dear Sirs,

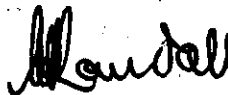

Residential Development at Boxmoor Baptist Church,  
London Road, Hemel Hempstead.

I refer to your letter dated 27th February, 1981.

Notwithstanding your wish to further defer consideration of the above mentioned proposals, the statutory period for determining these planning applications has now expired and they have therefore attracted deemed refusals. This in no way prejudices the future consideration of development on this site.

Please contact my assistant, Mr. Jackson, in order to arrange a meeting to clarify the problems associated with the previously submitted schemes and the other points that you mention.

Yours faithfully,

Chief Planning Officer.

OXFORD.
