Dear Mr Jackson

APPLICATION 4/0044/95CC
RETENTION OF MOBILE CLASSROOM
JOHN F KENNEDY SCHOOL, HOLLYBUSH LANE, HEMEL HEMPSTEAD

I refer to this Council's fax message to you dated 17 February 1995 in connection with the above.

I would confirm that the Director of Planning under his delegated powers has resolved to raise an objection to 4/0044/95CC taking into account the range of issues referred to in the above mentioned fax message. In view of the site history and the advice given to the Borough Council in recent years about the temporary nature of the mobile unit and the provision of new accommodation at the site under 4/0513/93FL, it is felt that there is a strong case for the removal of the classroom unit in the very near future. In particular, I would draw your attention to Condition 7 of planning permission 4/0513/93 as referred to in my earlier correspondence.

If the County Council does grant planning permission for the mobile unit despite the Borough Council's objections, it would be appreciated if you could explain as to why it has taken this decision. It would be appreciated also, if you could write to Councillor Mrs Janet Sweetingham to explain your position.

It is hoped that the County Council will seriously consider this Council's objections to application 4/0044/95CC. Should you wish to discuss the matter in any detail, do not hesitate to contact me on extension 2576 or alternatively, Councillor Mrs Sweetingham.

Yours sincerely

Nigel Gibbs
Senior Planning Officer
Planning Department
