Dear Mr Bailey

re: The Spotted Dog Public House, Flamstead

Following our telephone conversation regarding this project, I would confirm that we wish to withdraw the Listed Buildings application for works to the chimney in the existing public house.

Works should commence shortly and we will arrange for a meeting on site to allow investigatory works to take place to discover the nature of the chimney. At that time, we can agree as to the likleyhood of permitting works to the chimney and whether or not the Listed Buildings application should be re-deposited and presented to the planning committee.

I will notify you as to the commencement of the project so you can inform the committee and parish council that the glazed roof (subject to enforcement action) is being removed.

If I can be of any further assistance in this matter please do not hesitate to contact me.

Yours faithfully

Paul Lambert
