NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with section 36 of the Town and Country Planning Act 1971 within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Department of the Environment, Caxton House, Tothill Street, London SW1H 9LZ.) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements (a), to the provisions of the development order, and to any directions given under the order. He does not in practice refuse to entertain appeals solely because the decision of the local planning authority was based on a direction given by him.

(3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.

(a) The statutory requirements are those set out in section 36(7) of the Town and Country Planning Act 1971, namely sections 29(1), 30(1), 67 and 74 of the Act.

CONDITIONS CONTINUED

7. Facilities for archaeological excavation consistent with the proposed development, and the right of regular access to the site before the construction of the proposed buildings to make archaeological records by persons authorised by the local planning authority, shall be provided in accordance with a timetable and scheme agreed in writing and the local planning authority prior to the commencement of any works on site authorised by this permission.
8. Notwithstanding the provision of the Town and Country Planning General Development Order 1977 or any amendments thereto, there shall be no extension or addition to the dwelling hereby permitted that fronts onto Box Lane without the express written permission of the local planning authority.
9. This permission shall enure for the benefit of Section 29 of the Town and Country Planning Act 1971 only. Consent to demolish any part of the outbuilding within the curtilage of the adjacent Listed Building must be obtained in writing from the local planning authority prior to any work commencing on the site.

REASONS CONTINUED

7. To enable the local planning authority to maintain proper control over the development and avoid damage to this area of archaeological interest.
8. To ensure the preservation of the setting of the adjacent Listed Building.
9. To comply with Section 55 of the Town and Country Planning Act 1971.
