Dear Mrs Ambrose

Re: 131 Bridgewater Road, Berkhamsted, Herts, HP4 1JR

I refer to our meeting about three weeks ago regarding the planning application for the above address.

I have spoken to my client regarding the advice you have given me about your reservations and that of the Town Council on the proposed development. After due consideration my client has decided to withdraw this application. A revised application based on a single storey extension will be submitted in the near future for your consideration.

Yours sincerely

K E R Little
