Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:
28 RINGSHALL, BERKHAMSTED, HERTS, HP4 1ND**

Thank you for your letter of 15 January 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

The trimming of the tree and removal of the branch of the Oak tree which is obstructing access for vehicles and leaning on a telephone cable will not harm the character or appearance of the Ringshall Conservation Area. In addition, these minor works are also appropriate from an arboricultural point of view.

This decision, which was made on 03 March 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully
