

144/75D

Proposed Rifle Range etc

Land n. of Dodds Lane Piccotts End, Hemel Hempstead

Reported to Development Control Committee 10.4.75.
who resolved to defer consideration of the application
until it had been discussed at Leisure Services Committee.

Checked with T. Barton (Sec's Dept.) 11.4.75 —
next meetings were 15th April and 28th May.
Might be possible to "talk-in" application on 15.4.
though 75 copies ~~needed~~ of report would be
required

Spoke to Mr. Lewis 14.4.75. — he was not
anxious to push this one to the 15.4.75 meeting
but wanted to consider the use of this land
further. Suggested a meeting Lewis/Warden/Banley
at an early date to discuss and probably refer
the matter to L.S. Commt 28.5.75. and thence
to Development Control Committee on 5.6.75.
