REASONS FOR REFUSAL  
OF APPLICATION: 4/0170/92

Date of Decision: 27.03.1992

Nos 2 to 16 (even) Caernarvon Close form a row of similarly designed dwellinghouses which are distinguished by their uniform roof design. The proposed extension by reason of its gable roof design will introduce a discordant feature within this row of dwellinghouses which will be detrimental to the established character of the street scene.
