Dear Sir

**VEHICLE CROSSOVER AND PARKING BAY AT THE SCHOOL HOUSE,
NETTLEDEN ROAD, LITTLE GADDESSEN (REFERENCE 4/0208/92)**

I am writing with reference to the above matter. On 14 May 1992 a report on the proposal was presented to the Development Control Committee. A copy of the report is enclosed for your information. The Borough Council objects to the proposal on the grounds that the proposed removal of a section of the flint boundary wall to the frontage of the site, and the creation of a hardstanding in the front garden of the property, will have an urbanising and a harmful effect on the appearance and character of the conservation area and the setting of the adjacent listed building.

Yours faithfully

DAVID NOBLE
