Dear Sir,

1. Formation of access, Allotment Gardens, The Common, Chipperfield
 2. Pavilion (outline application), Land off Queen Street,
Chipperfield.
-

I refer to your letter dated 25th April 1980 in respect of the above developments. It is no longer possible for Development Control Committee to consider the two earlier applications, since, as I stated in my previous letter, both applications have been deemed to be refused by the fact that no decision was made within the statutory time period. It is open to you to appeal to the Secretary of State for the Environment. Alternatively, you could resubmit the proposals for further consideration, but should you submit an outline application for the pavilion, it should be supported, for information purposes, by an approximate floor plan and sufficient drawings to enable the style, design and appearance of the building to be assessed.

Yours faithfully,

S. J. Darby

Director of Technical Services
