REASONS FOR REFUSAL
OF APPLICATION: 4/0232/96

Date of Decision: 15.08.1996

The proposal would have a seriously detrimental effect on the character of the property itself and the appearance of the overall street scene. The proposed extension would therefore cause harm to the character of Flaunden Conservation Area and would be contrary to the aims of Policy 110 of the Dacorum Borough Local Plan and national advice contained in Planning Policy Guidance Note 15: Planning and the Historic Environment.
