Detached building for the cutting and shaping
of carpets.
at Rear of 163/165 High Street, Berkhamsted

Brief
description
and location
of proposed
development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time
being in force thereunder, the Council hereby refuse the development proposed by you in your application dated
6.2.89 and received with sufficient particulars on
7.2.89 and shown on the plan(s) accompanying such
application.

The reasons for the Council's decision to refuse permission for the development are:-

- 1. The proposed building by reason of its design would detract from the setting of
the listed building within the Berkhamsted Conservation Area.
2. The accommodation of the proposed building on part of the rear yard would reduce
the space available for vehicle parking in a central part of Berkhamsted where
existing car parking provision is often insufficient to cater for present
levels of demand.
3. The layout of car parking shown on the submitted plan does not provide sufficient
room for the safe manoeuvring of vehicles.

Dated Eighteenth day of May 1989

Chief Planning Officer

#### NOTE

1. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with s.36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, BS2 9DJ). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
  
2. If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Borough Council in which the land is situated, a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.
  
3. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in s.169 of the Town and Country Planning Act 1971.
