at 77-79 Marlowes, Hemel Hempstead	

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby permit the development proposed by you in your application dated 1st March 1985 (Amended 20/6/85) and received with sufficient particulars on and shown on the plan(s) accompanying such application, subject to the following conditions:—

All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the local planning authority gives written consent to any variation.

- (2) In the interests of amenities of the locality and setting of the listed buildings.
- (3) To ensure satisfactory appearance.
- (4) To provide adequate facilities and avoid obstruction on adjacent highways.
- (5) Insufficient parking facilities are available within the curtilage of the site to cater for the proposed development and other development previously permitted but not yet carried out.

NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Marsham Street, London, S.W.1. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.

CONDITIONS (Cont'd)

- (3) No work shall be started on the development hereby permitted until details of materials to be used externally shall have been submitted to and approved by the local planning authority and the development hereby permitted shall be carried out in the materials as so approved.
- (4) The parking and circulation facilities shown on drawing no. 1432/3/B (Plan 4/0250/85) shall be laid out in accordance with the approved plans and those areas shall not be used thereafter for any purpose other than the parking and circulation of vehicles.
- (5) The development hereby permitted shall not be carried out and this permission shall become of no effect if that part of the development permitted on 20th September 1977 (Ref 4/0959/77) which remains unimplemented at the date of this permission, is, at any time, carried out.
