H.C.C. No. **4/0262/72D**
L.A. No.

DEAR SIR,

Your application under the provisions of Section 53 of the Town and Country Planning Act 1971 dated **25th May** to determine whether planning permission is required in respect of

filling and levelling of land
Endgerdell Wood,
Barnes Lane, Chipperfield.

has been duly considered, and you are hereby given notice that the proposals set out therein do/~~do not~~ constitute development within the meaning of the said Act, and therefore -

- (a) planning permission must be obtained before any such proposals can be carried out
(b) ~~do not require the permission of the Local Planning Authority.~~

The grounds for this determination are as follows:
~~The extent of filling required constitutes an engineering operation~~
which is, in the opinion of the Local Planning Authority in excess of that which is " requisite for the use of that land for the purposes of agriculture" and is therefore not permitted under Class II of Schedule I to the Town and Country Planning General Development Order 1977.

Yours faithfully,

Dated **9th June, 1978**

Director of Technical Services.
