Dear Sir,

Your application dated 9th March 1982 has been considered under the provisions of Section 53 of the Town and Country Planning Act, 1971, to determine whether planning permission is required in respect of

an agricultural building at Greenside Farm,
Bovingdon Green.

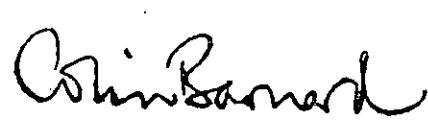

You are hereby given notice that the proposals set out therein ~~do~~ constitute development within the meaning of the said Act, ~~and therefore~~

(a) planning permission must be obtained before any such proposals can be carried out

~~(b) do not require the permission of the local planning authority~~

The grounds for this determination are as follows:

1. The proposed structure represents a building operation and thus constitutes development within the meaning of the Act.
2. Article 3 and Class VI of the First Schedule to the Town and Country Planning General Development Orders 1977-81 would not authorise the structure since:
 - a) The building would exceed 3 metres in height being within 3 kilometres of the perimeter of an aerodrome and
 - b) The building is not requisite for the use of the land for agricultural purposes.

Dated 18th May 1982 Yours faithfully, 

(Chief Planning Officer)

(See notes on reverse)
