REASONS FOR REFUSAL  
OF APPLICATION: 4/0273/92

Date of Decision: 22.04.1992

The policies of Hertfordshire County Structure Plan 1986 Review, the adopted Dacorum District Plan and Dacorum Borough Local Plan Draft Deposit aim to safeguard the character and appearance of the Borough with particular regard to its Conservation Areas and listed buildings. Granary Cottage is a Grade II listed building which occupies a prominent position within the centre of Flaunden Village which is a designated Conservation Area. The extension, due to its size, would fundamentally alter the appearance of the dwellinghouse to the detriment of the listed building and its setting within the Conservation Area. In a Conservation Area, a development should either preserve or enhance both its appearance and character. The proposals would neither preserve or enhance Flaunden Conservation Area.
