Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:  
29 KINGS ROAD, BERKHAMSTED, HERTS, HP4 3BH**

Thank you for your letter of 13 February 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

. The rear Lawson Cypress have little amenity value in the street scene, and the pruning of the front Lawson Cypress will be in line with the pruning already carried out to the adjacent trees. The removal of deadwood to the Cedar Tree will not harm the well-being of this tree, which is of high amenity value.

This decision, which was made on 21 March 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully
