Dear Sir

Hemel Hempstead Hospital  
West Herts Wing Redevelopment  
4232/422

---

Your proposals for the above development were considered by the Council's Development Control Committee at its meeting on 6 May 1982, and I am pleased to inform you that the local planning authority has no objection to the design details of the building.

The Committee has, however, asked me to draw your attention to the need to secure adequate car parking provision off Hillfield Road prior to occupation of the building, and to ask that details of external materials used in the construction of the building be agreed before development is commenced.

Yours faithfully

Chief Planning Officer
