Ref. No.

THE DISTRICT COUNCIL OF DACORUM
 IN THE COUNTY OF HERTFORD

To **Hightown Housing Association,**
3 St. Mary's Road,
HEMEL HEMPSTEAD,
Herts.

Messrs. Wm. F. Johnson & Partners,
39a High Street,
HEMEL HEMPSTEAD,
Herts.

Change of use from dwelling to 8 Bed-sitter units
 with communal facilities
 at 85 Sunnyhill Road, Hemel Hempstead.

Brief
 description
 and location
 of proposed
 development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby refuse the development proposed by you in your application dated 26th February, 1980, and received with sufficient particulars on 27th February, 1980 and shown on the plan(s) accompanying such application..

The reasons for the Council's decision to refuse permission for the development are:—

1. The proposed development could lead to additional parking on the adjoining highway to the detriment of the safety and free flow of traffic and pedestrians thereon.
2. The proposed side extension would be out of character with the existing pair of semi-detached dwellings and would constitute an intrusive feature detrimental to the visual amenities of the area.

Dated 10th day of April, 1980.

Signed.....

Designation **Director of Technical Services.**

NOTE

- (1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.
- (2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Whitehall, London, S.W.1.) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
- (3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the District Council in which the land is situated, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.
