Your application for full planning permission dated 19 February 1999 and received on 23 February 1999 has been **GRANTED**, subject to any conditions set out overleaf.

Director of Planning

Date of Decision: 27 May 1999

CONDITIONS APPLICABLE TO APPLICATION: 4/00329/99/FUL

Date of Decision: 27 May 1999

1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Reason: To comply with the requirements of Section 91 (1) of the Town and Country Planning Act 1990.

2. No development shall take place until samples of the materials to be used in the construction of the external surfaces of the development hereby permitted have been submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason: To ensure a satisfactory appearance to the development.

3. No development shall take place until full details of both hard and soft landscape works shall have been submitted to and approved in writing by the local planning authority and these works shall be carried out as approved.

Reason: To ensure a satisfactory appearance to the development and to safeguard the visual character of the immediate area.

4. Soft landscape works shall include planting plans; written specifications (including cultivation and other operations associated with plant and grass establishment); schedules of plants, noting species, plant sizes and proposed numbers/densities where appropriate; and an implementation programme.

Reason: To ensure a satisfactory appearance to the development and to safeguard the visual character of the immediate area.

5. All hard and soft landscape works shall be carried out in accordance with the approved details. The works shall be carried out prior to the occupation of any part of the development or in accordance with a programme agreed with the local planning authority.

Reason: To ensure a satisfactory appearance to the development and to safeguard the visual character of the immediate area.

6. Any tree or shrub which forms part of the approved landscaping scheme which within a period of five years from planting fails to become established, becomes seriously damaged or diseased, dies or for any reason is removed shall be replaced in the next planting season by a tree or shrub of a species, size and maturity to be approved by the local planning authority.

Reason: To ensure a satisfactory appearance to the development and to safeguard the visual character of the immediate area.

7. The development hereby permitted shall not be occupied until the arrangements for vehicle parking and turning shown on Drawing No. LCH 100/B shall have been provided, and they shall not be used thereafter otherwise than for the purposes approved.

Reason: To ensure the adequate and satisfactory provision of off-street vehicle parking facilities.

8. No development shall take place until details of the proposed slab levels of the buildings in relation to the existing and proposed levels of the site and the surrounding land shall have been submitted to and approved in writing by the local planning authority. The buildings shall be constructed with the approved slab levels.

Reason: For the avoidance of doubt and to ensure a satisfactory form of development.
