

TOWN & COUNTRY PLANNING ACTS, 1971 and 1972

DACORUM BOROUGH COUNCIL

To Mr and Mrs J North Leslie Gear & Associates
 4 Saberton Close Studio House
 Redbourn Common Road
 Studham

.....Two elderly persons' flats.....

 at ... Land in Buckwood Road, Markyate

Brief
 description
 and location
 of proposed
 development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby refuse the development proposed by you in your application dated 2 March 1987..... and received with sufficient particulars on 9 March 1987..... and shown on the plan(s) accompanying such application.

The reasons for the Council's decision to refuse permission for the development are:—

1. The proposal constitutes an unacceptable loss of servicing facilities for the adjoining retail shop in an area where highway width and alignment is substandard and hazardous.
2. The submitted drawings show insufficient detail of the developers' intentions for landscaping, of footpaths and treatment of boundaries.
3. The encroachment of development close to the listed buildings of 64 and 66/68 High Street, Markyate, is regarded as detrimental to the setting and amenity of the building.

Dated ... 30th day of ... April 19 87....

Signed..... *W. B. B. B. B.*

Chief Planning Officer

NOTE

1. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with s.36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, BS2 9DJ). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
2. If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Borough Council in which the land is situated, a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.
3. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in s.169 of the Town and Country Planning Act 1971.
