Dear Sir

Your application dated 9 March 1987 has been considered under the provisions of s.53 of the Town and Country Planning Act 1971, to determine whether planning permission is required in respect of

the erection of a dormer window and conservatory
 at Little Barncroft, Station Road, Tring

You are hereby given notice that the proposals set out therein ~~do/does not~~ constitute development within the meaning of the said Act, ~~and therefore/but~~

~~(a) planning permission must be obtained before any such proposals can be carried out~~

(b) do not require the permission of the local planning authority.

The grounds for this determination are as follows:

The enlargement of "Little Barncroft" through the provision of the dormer and conservatory constitute "permitted development" under the provisions of the Town and Country Planning General Development Orders 1977 - 1986 (Schedule 1 Class 1.1 (a)).

Note: This Determination is on the basis that the development would not exceed the ridge level of the roof.

Dated 28 May 1987

Yours faithfully

Chief Planning Officer
