25th April, 1979.

Market House, Tring.

At their meeting on 19th April, 1979 the Development Control Committee passed the "second resolution" under Article 4(5) of the Town and Country Planning General Regulations 1976 and so claimed "deemed permission" for the proposal to use former Light Industrial/Storage area as offices subject to there being no formal objections received during the formal statutory period which expired on 24th April, 1979. No observations have been received and this memorandum can therefore be accepted as formal notification of that decision.
