USE OF LAND FOR HARDSTANDING LAND IN FRONT OF 175 WINDMILL ROAD, HEMEL HEMPSTEAD

I refer to your planning application made in respect of the above development. The matter was discussed at the meeting of the Development Control Committee on 2 June 1988, when it was resolved that deemed consent be claimed to carry out the development pursuant to the provisions of Regulation 4 (5) of the Town and Country Planning (General Regulations) 1976.

The Committee do not normally permit parking pads on amenity greens but in the circumstances felt that an exception could be made. However, the Committee suggested that when the pad is no longer required for the disabled person, it is restored to amenity green. I would be grateful if you could ensure that the Committee's wishes are carried out by whatever means you think are appropriate.
