Date of Decision: 8 May 1997

CONDITIONS APPLICABLE TO APPLICATION: 4/00458/97/TPO

Date of Decision: 8 May 1997

Only the following works (which shall be carried out in accordance with the guidelines set out in BS 3998:1989 'Recommendations for Tree Works') are authorised by this consent, namely, the removal of overhanging branches from the 3 hornbeams, as marked on the approved drawing, sufficient to give a maximum height clearance above ground level of 5 metres.

Reason: BS 3998: 1989 will ensure proper pruning standards, and the authorised works will retain the amenity value of the trees as well as increasing light levels within the gardens.
