---

Description and  
 location of  
 proposed works.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder the Council hereby refuse the grant of listed building consent to the works described above and proposed by you in your application dated 27th March 1986 and received with sufficient particulars on 10th April 1986 and shown on the plan(s) accompanying such application.

The reasons for the Council's decision to refuse listed building consent for the works proposed are:

The site is situated within the Berkhamsted Conservation Area wherein it is the duty of the local planning authority to encourage the conservation and enhancement of features of architectural or historic interest. In the opinion of the local planning authority the demolition of the barn on this site would result in a serious loss to the architectural and historic heritage of the area.

 Designation ..... CHIEF PLANNING OFFICER .....

NOTE

1. If the applicant is aggrieved by the decision of the local planning authority to refuse listed building consent for the proposed works, or to grant consent subject to conditions, he may, by notice served within six months of receipt of this notice, appeal to the Secretary of State for the Environment in accordance with Paragraph one of Schedule 11 to the Town and Country Planning Act, 1971. The Secretary of State has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed works are in progress..

2. If listed building consent is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the council of the county district, in which the land is situated, a listed building purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Section 190 of the Town and Country Planning Act, 1971.

3. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 171 of the Town and Country Planning Act, 1971.
