County Planning Officer

Dear Mr. Barnard

REPLACEMENT OFFICE BUILDING AT
92 HIGH STREET, BOVINGDON

Following a number of site visits, meetings and protracted negotiations, little progress has been made on the proposed design.

The inaccuracy of the drawings and their lack of detail has presented problems from inception and, as an adequate design solution has yet to be achieved, if any of the sketch designs (since the original application was withdrawn) were formally submitted, the recommendation would be for refusal.

Yours sincerely

Geoffrey Steeley
