Dear Sir/Madam

**WORKS TO TREES IN THE CONSERVATION AREA:
ST. CROSS CHURCH, TRING ROAD, WILSTONE, TRING, HERTS**

I write to inform you that the above application was considered on 20 May 1999. The Council objects to the proposal on the following grounds:

1. The trees are important and should be protected by a Tree Preservation Order.

NOTE: The Dacorum Borough Council (Land at St Cross Church, Tring Road, Wilstone, Hertfordshire) Tree Preservation Order 1999 was made on 18 May 1999. No works, other than those specified in the second Schedule to the Order, should be carried out to the trees without the consent of the Borough Council given under this Order.

Yours faithfully
