Dear Ms Bocknachi

Re. planning application no 4/0538/95

I wish to withdraw this application for floodlights for St. Peter and St. Paul Iring and replace it with the enclosed application. I have not enclosed a neighbour notification form or certificates, as this was done previously and there is no change to that. I have re-submitted two copies of the planning application (there were only two sent) and enclosed new details of the changed floodlighting units and ground plans showing the position of floodlights. I have not included the area of the site etc. as this was calculated on the original application and I don't have a copy, so can this be transferred to the new forms.

I do hope this can be pushed through as quickly as possible as we have waited so long so far and are anxious to get the lights installed as soon as possible.

Yours sincerely,

Janet Goodyer.
