Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:
12 CHURCH VIEW, LONG MARSTON, TRING, HERTS, HP234QB**

Thank you for your letter of 22 March 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

. There is a strong possibility that the trees will cause damage to the buildings in time because of their proximity to adjacent dwellings. Furthermore, the trees do not make a significant contribution to the visual amenities of the conservation area.

This decision, which was made on 19 April 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully

Colin Barnard
Director of Planning
