Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:  
LAND AT, CHURCH ROAD, FLAMSTEAD, ST. ALBANS, HERTS**

Thank you for your letter of 27 March 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

1. The Leylandii trees now constitute a hedge. Consequently, it is not necessary formally to notify the Council of works to these trees.
2. As the Willow tree is extremely decayed, it is not necessary formally to notify the Council of works to this tree either.

This decision, which was made on 08 May 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully

**Colin Barnard**  
**Director of Planning**
