REASONS FOR REFUSAL  
OF APPLICATION: 4/0594/96

Date of Decision: 29.08.1996

Policies of the Development Plan aim to safeguard the environment of the Borough, including the visual amenity of the urban areas. There is no indication that additional screening of the satellite dish can be achieved at the application site. In the absence of such screening the local planning authority is not satisfied that the dish can be installed without causing harm to the visual amenity of the surrounding area.
