Date of Decision: 24 May 2000

**CONDITIONS APPLICABLE TO APPLICATION: 4/00622/00/LBC**

Date of Decision: 24 May 2000

**1. The works for which this consent is granted shall be begun before the expiration of five years from the date of this consent.**

Reason: To comply with section 18 of the Planning (Listed Building and Conservation Areas) Act 1990.

**2. Notwithstanding the reference to "7 no. external wall lights" on the application form (DC 9) or the details shown on Drawing No. 102 Ref B, this consent only authorises the installation of the five wall lanterns to be attached to the buildings numbered and identified as Units 1 to 5 inclusive on that drawing.**

Reason: For the avoidance of doubt. Listed building consent is not necessary for the installation of lanterns to Units 6 and 7, and the other submitted details do not form part of this application.

**3. Each of the lanterns hereby authorised shall be installed in accordance with the details specified on the approved drawings.**

Reason: In the interests of the character, appearance and the setting of the listed barns and their setting.

**4. None of the lamps in the lanterns shall be illuminated either before 7 am or after 11 pm.**

Reason: In the interests of the character, appearance and setting of the listed barns.
