Dear Sir,

I refer to your Town Planning application and would advise you that, as applicant, you are requested in accordance with Circular 71/73 to post a notice on the land in a position whereby it can be viewed by the public and be protected and maintained.

A form of notice is attached for your convenience. It will be seen that you need to complete that part following "..... at all reasonable hours until ....." with a date, giving a minimum period of seven days. You are also asked to sign and date the notice.

It would be appreciated if you will notify me in writing confirming the placing of the notice.

Yours faithfully,

*D. J. Darby*
