The application was made in accordance with the provisions of Section 82 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

The information submitted with your Council's application has been considered. It is noted that no representations were received as a result of public advertisement of the proposal. The Secretary of State is satisfied that the works are acceptable in so far as the character of this building of special architectural or historic interest is concerned. Accordingly he hereby grants listed building consent in respect of the re-roofing of the building at 9 High Street, Tring, as referred to in application numbered 4/0637/96DL dated 18 April 1996, subject to the following conditions:
