Brief description
and location of
proposed tree work

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder the Council hereby ~~XXXXXX~~/refuse the tree work proposed by you in your application dated **10 April 1990**
~~XX~~

PD61/REV 8.88

The reasons for the Council's decision are:

The Beech tree has a very dense and rather tangled branch framework and a number of old pruning wounds on the trunk. However, based on an inspection from ground level, its condition is not considered to justify felling on safety grounds. An application for pruning to reduce the density of the crown and improve its balance would be favourably considered.

Dated: 5 day of September 19 90

~~XXXXXXXXXXXXXXXXXXXX~~
DIRECTOR OF PLANNING

NOTE

1. If the applicant is aggrieved by:

- (a) the decision of the local authority to refuse permission for the proposed tree work;
- (b) by the conditions attached to a permission; or
- (c) by any certificate or direction given by the authority:

he may appeal to the Secretary of State for the Environment, under the provisions of paragraph 36 in the Third Schedule of the Tree Preservation Order. The appeal must be served within 28 days from the receipt of notice of the Authority's decision. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Eastern Regional Office, Charles House, 375 Kensington High Street, London S14 8QH).

2. In certain circumstances, where a person has suffered loss or damage in consequence of any refusal of consent under the Tree Preservation Order or any grant of consent subject to conditions, a claim may be made against the local planning authority for compensation. The circumstances in which such compensation is payable are set out in paragraphs 9, 10 and 11 in the First Schedule of the Tree Preservation Order. No compensation is payable in respect of trees which are the subject of a certificate in accordance with paragraph 5 of the Tree Preservation Order.
