THE DISTRICT COUNCIL OF DACORUM

IN THE COUNTY OF HERTFORD

To Mr B Gilmore                      Mr S York  
       The Garage                      22 Oakwood Road  
       The Common                     Bricket Wood  
       Chipperfield                    Herts

Two dwellings

at High Tor - Scatterdells Lane, Chipperfield

Brief  
 description  
 and location  
 of proposed  
 development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby refuse the development proposed by you in your application dated 11th May 1984 and received with sufficient particulars on 17th May 1984 (amended 1st August 1984) and shown on the plan(s) accompanying such application.

The reasons for the Council's decision to refuse permission for the development are:-

- (1) The site is within the Metropolitan Green Belt on the approved County Structure Plan and the adopted Dacorum District Plan wherein permission will only be given for the use of land, the construction of new buildings for agricultural or other essential purposes appropriate to a rural area, or small scale facilities for participatory sport or recreation. No such need has been proven, and since the development involves the change of use of a substantial area of rural open land to residential curtilage, the proposed development is unacceptable in the terms of this policy.

Continued Overleaf

Dated 16th day of August 1984

Signed

Chief Planning Officer

- (2) The proposed dwellings by reason of their siting would conflict with Policy 6 of the Dacorum District Plan which states inter alia, that replacement dwellings in the Green Belt will normally only be permitted where the new dwellings will not be more intrusive in the landscape.

NOTE

- (1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.
- (2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, BS2 9DJ). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
- (3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the District Council in which the land is situated, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.
