

TOWN & COUNTRY PLANNING ACTS, 1971 and 1972

THE DISTRICT COUNCIL OF DACORUM
IN THE COUNTY OF HERTFORD

To Roger Malcolm Ltd
Malcolm House
Empire Way
Wembley Middlesex

31 elderly persons' dwellings, car ports
and garages
at Springwood Gardens
High Street Northchurch

Brief
description
and location
of proposed
development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby refuse the development proposed by you in your application dated 8.5.84 and received with sufficient particulars on 18.5.84 amended 17.7.84 and shown on the plan(s) accompanying such application.

The reasons for the Council's decision to refuse permission for the development are:—

- The site is included in the adopted Dacorum District Plan for development for residential purposes in the period 1986-91. Sufficient land is included in the District Plan for residential development in the period 1981-86 to meet the housing control levels set out in the proposed alterations to the Hertfordshire County Structure Plan.
2. Development of this site before 1986 would result in insufficient supplies of residential land remaining available for the period 1986-91, thereby creating pressures to release more land including land in the Green Belt.
 3. Further development on this site will not be permitted in advance of the construction of the Berkhamsted By-pass, since the proposed additional housing would generate an increase in vehicular traffic on the A41, the result of which would aggravate an already acute situation on the local network through Berkhamsted.

Dated 19th day of July 1984

Signed

Chief Planning Officer

NOTE

- (1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.
- (2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, BS2 9DJ). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
- (3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the District Council in which the land is situated, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.
