CONDITIONS APPLICABLE
TO APPLICATION: 4/0719/96

Date of Decision: 25.07.1996

The temporary protective fencing shown by the green line on Drawing No. 6/1A shall consist of 1.5 m high chestnut pale fence with scaffold supports in accordance with BS 5837. This fencing shall be erected before any equipment, machinery or materials are brought onto the site for the purposes of carrying out the development and it shall be maintained until all machinery, equipment and surplus materials have been removed from the site. Nothing shall be stored or placed within the fenced area, and the ground level in this area shall not be altered, nor any excavation made, without the written approval of the local planning authority.

Reason: In order to protect the trees on the site.
