(encs. - Conditions and Notes).

CONDITIONS APPLICABLE  
TO APPLICATION: 4/0768/95

Date of Decision: 28.09.1995

1. The development to which this permission relates shall be begun within a period of five years commencing on the date of this notice.

Reason: To comply with the provision of s.91 of the Town and Country Planning Act 1990.

2. No work shall be started on the development hereby permitted until samples of the facing and detail bricks and roofing material shall have been submitted to and approved by the local planning authority, and the development hereby permitted shall be carried out in the materials so approved.

Reason: To ensure a satisfactory appearance within Wilstone Conservation Area.

3. Notwithstanding the information shown on Drawing No. CBL 100, no work shall be started on the development hereby permitted until full details of the method of construction and surfacing of the proposed access, including details of the culverting of the drainage ditch and of kerb edging, shall have been submitted to and approved by the local planning authority and the development shall be carried out in accordance with the details so approved.

Reason: To ensure a satisfactory appearance within Wilstone Conservation Area.

4. No development shall take place until there has been submitted to and approved by the local planning authority a scheme of landscaping, which shall include indications of all existing trees and hedgerows on the land, and details of any to be retained, together with measures for their protection in the course of development, and details of numbers, species and proposed planting location of all new trees, shrubs and hedgerows.

Reason: To maintain and enhance visual amenity.

5. All planting, seeding or turfing comprised in the approved details of landscaping, shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the local planning authority gives written consent to any variation, and for the purposes of this condition a planting season shall be deemed to commence in any one year on 1 October and to end on 31 March in the next following year.

Reason: To maintain and enhance visual amenity.

CONDITIONS APPLICABLE
