Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:  
41 HIGH STREET, BERKHAMSTED, HERTS, HP4 2BX**

Thank you for your letter of 22 April 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

The felling of the Leyland Cypress will not cause harm to the character or appearance of the Conservation Area. Furthermore, felling of the tree will be beneficial from an arboricultural point of view, as the tree has enormous potential for future growth which would be unacceptable in this location.

This decision, which was made on 13 June 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully
