CONDITIONS APPLICABLE  
TO APPLICATION: 4/0780/91

Date of Decision: 26.07.1991

Details shall be submitted to the local planning authority relating to the structural conditions of the party wall between Nos. 22 and 24 St Albans Road and this shall include, if necessary, a scheme illustrating the means by which sound transmission between these respective residential properties shall be resisted and such a scheme shall be implemented prior to the occupation of the flat.

**REASONS:**

For the avoidance of doubt as the submitted scheme fails to confirm that there will be adequate insulation along the party wall to minimise sound transmission in the interests of residential amenity.
