- 1 The development hereby permitted shall not be carried out otherwise than in accordance with detailed plans and drawings showing the siting, layout, design, landscaping and external appearance of the building(s) and the means of access thereto which shall have been approved by the local planning authority, before any development is commenced.

 - (ii) the expiration of a period of ... years commencing on the date upon which final approval is given by the local planning authority or by the Secretary of State or, in the case of approval given on different dates, the final approval of the last such matter to be approved by the local planning authority or by the Secretary of State.
- 3 Details submitted in accordance with condition 1 hereof shall include:

 - (d) boundary treatment
- 4 Provision shall be made for the parking of motor vehicles on the site at one space per 25 sq m of gross floor space of all buildings.

5. The development hereby permitted shall not be brought into use until the access point, in accordance with plans to be submitted to and approved by the local planning authority, on the north western boundary of the site has been formed and laid out.

The reasons for the local planning authority's decision to grant permission for the development subject to the above conditions are:-

Signed..... *John Bannard*

Designation DIRECTOR OF PLANNING.

NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with section 36 of the Town and Country Planning Act 1971 within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Department of the Environment, Caxton House, Tothill Street, London SW1H 9LZ.) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements (a), to the provisions of the development order, and to any directions given under the order. He does not in practice refuse to entertain appeals solely because the decision of the local planning authority was based on a direction given by him.

(3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.

(a) The statutory requirements are those set out in section 36(7) of the Town and Country Planning Act 1971, namely sections 29(1), 30(1), 67 and 74 of the Act.
