

0786/79\* Land off New Road / High Street, Northchurch -  
Erection of one hundred dwellings; for the  
Housing Committee of Dacorum District Council.

The Committee feel that the plan submitted  
provides insufficient detail and they are unable  
to comment without further detailed information.  
However, it is felt that the current width of  
the A41 trunk road is totally insufficient to  
cater for a further large development.
