Dear Sirs,

re: St. Mary's Convent, Green End Road, Boxmoor
Car Parking

Having now been advised that Listed Building Consent is not required for the proposed alterations I shall be grateful if you will accept this letter as authority to withdraw the application made on June 19th 1995.

While checking the Planning application for this work I realise that the information given on the application is not quite correct.

We do at present have space to park ten cars on the site but the object of the exercise is to enable this to be done in an orderly fashion and to prevent cars being backed out onto the road as sometimes happens now. It is also desired to prevent parking immediately outside the new french casements to the new library. I would be grateful if you would take note of these facts when considering the application.

Yours faithfully,

D. A. BRIDGE
