Dear Sir/Madam

**WORKS TO TREES IN THE CONSERVATION AREA:
TREETOPS, HUDNALL LANE, LITTLE GADDESSEN, BERKHAMSTED, HERTS,
HP4 1PL**

Thank you for your letter of 26 April 1999 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reasons:

1. The Cherry tree and the two Maple trees are all in poor condition.
2. The Beech tree has a very low crown.

This decision, which was made on 18 June 1999, allows you to progress these works.

Yours faithfully

Director of Planning
