Dear Mrs Walker,

**REMOVAL OF HORSE CHESTNUT TREE AND WORKS TO SILVER BIRCH  
AND CHERRY TREES**

Your application for the above mentioned works was considered by the Development Control Committee on 17 July 1997.

It was decided not to impose a Tree Preservation Order on any of the trees, but it was considered that a more suitable tree should replace the Horse chestnut. The woodlands officer will be happy to advise on appropriate species. Pruning to the Birch and Cherry trees should be limited to pruning of the canopies to a height of 4.2m above the carriageway.

Yours sincerely
